15th Aug.1925.

My dear Sir,

In reply to your D.O.letter No.47 dated 14th August 1925, I should like to state my own views in the matter as follows:-

For the Durbar Physician as well as for the Principal of the Medical College, the State is now incurring an expenditure of Rs .2,300 per mensem . We offered Colonel Standage Rs .1,600 for both - that means a saving of Rs .700, under the proposed arrangement. Much will depend on the question as to whether Dr. Arumugam may be continued for a further period as Durbar Surgeon. Dr.Mylvaganam, having taken a very keen interest in the establishment of the Medical College and worked very hard in that connection, no doubt may be expected to do his best as Principal but his relations with the Senior Surgeon not being quite friendly, there is always a certain amount of friction and Dr.Mylvaganam himself complains that he has not been given all necessary facilities by the Department for clinical and other work in the Hospitals required

for the students of the College. It is possible that such a situation will be avoided under the new arrangement. I would,however,like to consult Dr. Seal regarding Dr.Mylvaganam's work,confidentially, and in the meantime, I would suggest that Col. Standage may be told that,as only 6 months have expired since my last letter, a further communication on the subject will be sent to him after 3 months.

Yours sincerely,

Amin-ul-ulk,

Mirza M.Ismail,O.B.E.,C.I.E.,

Private Secretary to His Highness the Maharaja of Mysore.
